WELCOME to the 2019 Annual Session of the Texas Dental Association. The first week of May brings dentists from all over Texas to San Antonio for the purpose of making their present and their future better through education, team building, governance, and fellowship. This year we all gather to Celebrate Life and Practice, and we have designed your meeting to be a celebration experience for you and your entire team.

It starts with a brand new design, focused on the beautiful atrium of the Henry B. Gonzalez Convention Center. Here you will find registration, information, exhibit hall entry, and access to most of your classes and events, all in one place. It will be a great place for photo ops (including selfies!), meeting friends, and gathering with your team. It will also be the location for the best party ever. On Thursday evening, all who are attending the TDA Meeting are invited to our TDA Soirée Music Festival, featuring 3 bands on 2 different stages.

To help you and your team celebrate life in 2019, you can spend the day with Dr Uche Odiatu and learn to revolutionize your health and wellness through nutrition, exercise, and stress management. Ms Sheri Kay will start your day with yoga classes on the river level. Judy Kay Mausolf will bring life to your practice in a high-impact, fun, and transformative team building experience. Spend the day with Dr Witt Wilkerson as he guides you through “The Shift,” his brand new book outlining the future of Integrative Dental Medicine in all of our practices. Or, spend a morning developing a very critical aspect of your life as you learn how to “Navigate the Swamp in 2019” from four superbly qualified TDA leaders, as they lead you on a journey in establishing the highest ethical standards for your professional life.

We both look forward to this annual gathering of our members and leaders from around the great state of Texas to celebrate our profession and your Texas Dental Association. The meeting is sure to enhance your knowledge, motivate your staff, and bond your office into a cohesive and engaged team.

The TDA Meeting 2019
TDA is an ADA CERP Recognized Provider

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve nor endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

TDA designates each educational course for a specified number of CE units.

Concerns or complaints about a CE provider may be directed to the provider or to ADA CERP at ada.org/cerp

COURSE DISCLAIMERS

The Texas Dental Association (TDA) makes every effort to present high caliber speakers in their respective areas of expertise. Seminars of the TDA are offered as information only and not as financial, accounting, legal, or other professional advice. Attendees must consult with their own professional advisors for such advice. The ideas and comments expressed during the seminars are not necessarily endorsed by or those of the TDA.

All participants are cautioned about the risks of using new techniques, especially in courses that have not provided them with supervised clinical experience. All programs may be subject to change due to circumstances beyond our control.

ATDA Convention at The TDA Meeting

The Alliance State Convention is held in conjunction with the Annual Session of The TDA Meeting. In addition to renewing friendships, ATDA members enjoy networking with other districts to look for new and interesting ways to promote a positive image of dentistry.

Please stop by the ATDA table, May 2, 2019 from 9:00am–5:00 pm, located in the atrium of the Henry B. Gonzalez Convention Center, for more information on the Alliance of the Texas Dental Association.

We Support Organized Dentistry with...

Dental Health & Outreach

ATDA provides dental education workshops for individual State Alliance Districts, as well as participate outreach programs such as the TDA Smiles Foundation.

Silver Lining Fund

Silver Lining Fund is a relief fund for dental families in need. ATDA’s SLF has helped many dentists and their families in their time of need.

TDA Smiles Foundation

ATDA members volunteer time and make monetary donations for TDASF events such as the Texas Mission of Mercy and Smart Smiles which provide dental care to the underserved & uninsured in Texas.

Legislative Issues

The ATDA’s Legislative Committee works to bring to the attention of our members pending legislation that could affect dentistry & the entire dental community.

Memorial Fund

Each year the Memorial Fund receives donations from those who wish to memorialize their deceased loved ones or to honor someone’s birthday, anniversary or other happy occasions.

COMPLETION CODES
Please be sure to record your four-digit completion code at the conclusion of each course. You will need the code and your badge number in order to process your CE verification.

HANDBOOKS
Course handouts are available online at https://www.pregreg.net/2019/tda/reports or the TDA Meeting Mobile App where you will need your badge number to access. Please note: Not all speakers have provided course handouts. Printed handouts will not be available on-site.

COURSE DISCLAIMERS
The Texas Dental Association (TDA) makes every effort to present high caliber speakers in their respective areas of expertise. Seminars of the TDA are offered as information only and not as financial, accounting, legal or other professional advice. Attendees must consult with their own professional advisors for such advice. The ideas and comments expressed during the seminars are not necessarily endorsed by or those of the TDA.

All participants are cautioned about the risks of using new techniques, especially in courses that have not provided them with supervised clinical experience. All programs may be subject to change due to circumstances beyond our control.

Please be sure to record your four-digit completion code at the conclusion of each course. You will need the code and your badge number in order to process your CE verification.

HANDOUTS
Course handouts are available online at https://www.prereg.net/2019/tda/reports or the TDA Meeting Mobile App where you will need your badge number to access. Please note: Not all speakers have provided course handouts. Printed handouts will not be available on-site.

COURSE DISCLAIMERS
The Texas Dental Association (TDA) makes every effort to present high caliber speakers in their respective areas of expertise. Seminars of the TDA are offered as information only and not as financial, accounting, legal or other professional advice. Attendees must consult with their own professional advisors for such advice. The ideas and comments expressed during the seminars are not necessarily endorsed by or those of the TDA.

All participants are cautioned about the risks of using new techniques, especially in courses that have not provided them with supervised clinical experience. All programs may be subject to change due to circumstances beyond our control.

WE’RE EXCITED to announce that our exhibition will be located in Exhibit Hall 1, at the main entrance of the Henry B. González Convention Center. The vast majority of our classes will be located in this new section of the convention center, making it much more convenient for you.

There will be an Educational Theater with innovative demonstrations and two classrooms for Express CE on the exhibits hall floor. You can always count on our exhibit floor happy hours with complimentary beer and wine from 4:30 to 5:30 on Thursday and Friday!

THANK YOU to our TDA Meeting exhibitors

Exhibitor participation helps us to produce one of the best dental meetings in the country! Show your support by shopping the exhibit hall! We offer over 200 companies displaying their products and services.

It’s time to take a closer look

Onset® Buffering System

Articaine ✔ Lidocaine ✔ Mepivacaine ✔ Prilocaine

The Onset® Buffering System allows you to raise the pH outside the body closer to physiological, so you can make your local anesthetic of choice better. It’s simple to use at chair side, just prior to injection and easy to adopt in your practice.

If you want a simple way to make your local anesthetic better, Onpharma is making it easy to try by providing a 60-day no risk guarantee* on the Onset Mixing Pen.

Don’t delay, give Onset a try today!

Free Course for all attendees!
Friday, May 3 – 12:00 PM Educational Theater

Make Your Local Anesthetic Better with the Onset Buffering System
Learn how buffering can impact your practice and see how easy it is to use the Onset Mixing Pen to buffer cartridges of local anesthetic at chair side just prior to injection.

Visit the Onpharma Booth #415 to learn more and place your order.
Call an Onset Specialist 877.336.6738 or onpharma.com

*Pen guarantee subject to terms & conditions. Contact Onpharma for full details.

Pemphigus and pemphigoid are rare, autoimmune, skin and mucosal blistering diseases. Patients often experience delayed diagnosis and they commonly present with oral symptoms first. These include blisters, lesions, pain when brushing or eating, and the peeling of oral tissue with simple pressure.

You can accelerate diagnosis times!

**ASK YOUR PATIENTS:**

1. **Do you have more than one blister or lesion in your mouth?**

2. **Have your blisters or lesions lasted for more than a week?**

3. **Have you continually had blisters or lesions that don’t heal?**

4. **Do you have blisters or lesions in any locations outside the mouth?**

If your patient answers **YES to 3 or MORE** of these questions, a biopsy should be considered. Both conventional H&E histology (in formalin) and DIF (in Michell’s/Zeus) are needed for a diagnosis. Specimens must contain intact epithelium over the underlying connective tissue.
